**Installment Prepayment Option for Real Estate Taxes**

Taxpayers may prepay their real estate taxes on a quarterly basis (based on previous year’s amount).

- Delinquent taxes paid by a mortgage company do not qualify.
- There will be three equal installments (using a coupon method) and a fourth and final payment reflecting the balance due on your annual tax statement due December 31<sup>st</sup>.
- You will receive three payment coupons showing the amount and date due. Please include these with your payment. Only the **EXACT** amount on the coupon will be accepted.
- The first three payments must be received by **September 20<sup>th</sup>, 2023** in order to be applied to the final tax bill.
  - Payment methods – cash, check or money order.
  - Payments must be mailed or brought to the office. Online method is disabled using the installment program.
- Delinquent accounts will be removed from the program and prepayments will be refunded. You will remain fully responsible for your taxes, interest and penalties that accrue if not paid by December 31<sup>st</sup>.

I (we) have read the above information and wish to enroll in the installment program for real estate. I (we) understand that taxes not paid in full by December 31<sup>st</sup> will result in late penalties and interest.
